## PROFESSIONAL EXPERIENCE

### Junior UX/UI Designer

CITEVE (Centro Tecnológico Têxtil e Vestuário), Vila Nova de Famalicão Portugal | 01/2024 - present

- Sole UX/UI designer embedded in a cross-functional team of developers, product managers, and data scientists across European consortium projects for the textile industry.
- Designed the consumer-facing experience for a Digital Product Passport (texjourney.com), enabling users to explore a garment's traceability, composition, certifications, and environmental impact.
- Designed the internal data-entry portal used by manufacturers to manage and submit product and supply-chain data for the Digital Product Passport.
- Designed the UX/UI of a multi-feature platform for fashion designers, combining AI-powered trend insights, visual product search by image, and a digital scrapbook for organizing creative references.
- Designed multiple dashboards across projects, translating complex data into clear, actionable visualizations for different user groups.

### Collaboration Grant - Image

Laboratório de Ecologia Fluvial e Terrestre, UTAD, Vila Real, Portugal | 06/2023 - 07/2023

- Designed reusable social media post templates with placeholder spaces for images, streamlining the team's content creation process.
- Took photographs and produced videos for institutional presentations.

### Sales assistant

Stradivarius, Vila Real, Portugal | 08/2022 - 01/2023 (Summer reinforcement & Christmas Reinforcement)

- Handled cashier duties, restocking, and customer service in a fast-paced retail environment.

### Curricular Internship

4All Software, Vila Real, Portugal | 02/2022 - 06/2022

- Designed the UX/UI in FlutterFlow for Starget, a location-discovery app that uses short videos to help users explore Porto's businesses, points of interest, and hidden gems before visiting.
- Designed the UX/UI in FlutterFlow for Quatro Estações, an online clothing store app.
- Designed the UX/UI in Adobe XD for an online pharmacy store app.
- Designed the UX/UI and logo for a loyalty points system for a fuel station.
- Designed the UX/UI and logo for a christening-planning app.

## ACADEMIC EXPERIENCE
